WINTER MARQUEES &  
CHRISTMAS PARTIES

## PARTIES

Whether you are planning an intimate dinner party, organising a large gathering or hosting a milestone celebration of your own, we will provide you with the perfect size and style of marquee for the occasion.

From Pagodas to Pole tents, Awnings to clear span Frame structures, our marquees can be assembled almost anywhere as a standalone structure, attached to existing buildings or as an extension to your home to create extra entertaining space.

We offer a complete event planning service with interior decoration, linings, atmospheric lighting, furniture, heating, power and luxury loos. We also hold a wide range of bars and dance floors.

Please get in touch for a personal consultation or no obligation site survey.

## WEDDINGS

Your wedding day is one of the most important days in your life and we work closely with you to ensure it is perfect and memorable. A Wedding Reception and Party held in a marquee has a unique atmosphere and offers you complete flexibility over decorations, layout and timings.

With over 30 years of experience and a wide range of traditional canvas pole tents and clear span frame marquees held in stock, as well as our complimentary event planning service, we give dedicated support and an attention to detail that guarantees your day is everything you imagined.

For more ideas, pictures and inspiration please visit our regularly updated website.

## CORPORATE EVENTS

Established in 1989, Four Seasons Marquees Limited has gained a wealth of experience through the project management of large corporate, sporting and charity events throughout the South of England. We have earned a well-deserved reputation for attention to detail and total reliability over the years, ensuring these clients return to us time and again.

With our extensive range of marquees and structures, we are one of the few companies serving the corporate sector able to respond to almost any request. Our experienced team will cope with challenging and awkward sites and successfully complete installations in seemingly improbable places.

As accredited members of MUTA, we adhere to a strict code of practice providing full Health & Safety documentation.
